

# Natalia Georgieva

## PROFESSOR, PHD

### Scientific interests

EOrganic farming, biologically active substances, energy efficiency, water deficit, allelopathy, genetic resources and breeding

### Education:

1992 г. Agrarian University, Plovdiv, Certificate №005427/31.03.1992  
Specialty: "Agroengineering"  
Qualification degree: "Master"

### Academic Career:

- 2018 г.- Professor, (certificate № 0205/21.02.2018, Agricultural Academy)
- 2012 г.- Associate professor, (certificate № 0037/25.10.2012, Agricultural Academy)
- 2008 - PhD (certificate № 32185/24.03.2008, Higher Attestation Commission)
- 2010 - Assis. professor
- 2006 – researcher I degree
- 2003 – researcher II degree
- 2001 – researcher III degree

### Scientific field:

6. Agricultural sciences and veterinary medicine;  
Professional direction 6.1. Plant science

### Number of guides and participation in scientific projects and tasks:

- Management of 2 research projects of the Agricultural Academy
- Participation in 20 research projects of the Agricultural Academy
- Participation in 1 research project to the Scientific Research Fund, Ministry of Education and Science, and 2 international projects

### Scientific publications and citations for the period 2001-2022:

Total number of scientific publications –Over 200;  
Confirmed citations in the country and abroad – 288 (h-index 8)

# Natalia Georgieva

## PROFESSOR, PHD

### Long-term study and scientific experience abroad:

- 06.2007 Specialization at Plant Production Institute V.Ya. Yuriev, Kharkiv, Ukraine
- 25.06-01.07.2017 Participation in Erasmus+ staff mobility (teaching assignments and staff training), Academic year 2016/2017, Research Institute for Fodder Crops, Trubsko, Czech Republic
- 17.09-23.09.2017 Participation in Erasmus+ staff mobility (teaching assignments and staff training), Academic year 2016/2017, University of Latvia, Institute of Biology, Riga, Latvia

### Member of the Expert Council on Soil Science, General Agriculture and Land Reclamation

- International Society of Development and Sustainability (ISDS), Japan
- Inter-Regional Co-operative Research and Development Network for Pastures and Fodder Crops (FAO/CIHEAM)
- International Journal of Agriculture Science and Food Technology
- Research in Agriculture-
- Research and Reviews in Biosciences
- Current Investigations in Agriculture and Current Research
- Suntext Review of Agricultural Sciences
- MC Agriculture & Environmental Sciences
- Open Journal of Agricultural Research
- Journal of Agricultural Science and Agrotechnology

### Results of attestations

- Attestation period 2016-2021 – „Very good” evaluation
- Attestation period 2011-2015 – „Excellent” evaluation
- Attestation period 2006-2010 – „Excellent” evaluation
